.....

As we are volunteer operated, every penny raised goes directly to the animals in need.

The goal of this event is to raise funds for SCARS, raise awareness for rescues in need, and have a lot of fun doing it!

Please ensure that pets who attend the event have up-to-date vaccinations and are reasonably sociable with other animals. Animals must be leashed at all times.

SCARS is a non-profit, volunteer-operated, registered charitable organization dedicated to reducing the number of homeless animals in Northern Alberta. Since 2002, SCARS has rescued and re-homed over 4,000 animals. Our mission is to promote the humane care and protection of all animals and to prevent cruelty and suffering. We believe there is a suitable home for all homeless animals - young or old, large or small. We provide veterinary care and foster homes until permanent homes are found. Our foster homes provide the animals with warm shelter, food, exercise and tender loving care - something that so many of these animals have never experienced. We also promote responsible pet ownership, the importance of spaying and neutering, and community awareness. We rely solely on money raised through memberships, donations, sponsorships, grants and other fundraising efforts.

Grab family and friends and join us for a fun-filled afternoon with great food and good company.
